

## Journal Activity: Article by Sarah McManus, Ph. D.

### Reflection:

- In the article, Dr. McManus spoke of Formative Assessment as an action. Write a brief description or sketch a picture of what this means or looks like to you.
- Four key words are expressed in the CCSSO definition of Formative Assessment. What are those words and how do they relate to Formative Assessment?
- Why is planning an essential part of insuring that Formative Assessment is implemented during instruction every day?
